Sir,

I have the honor to forward herewith for sanction a
list of articles found missing in the Exhibition of 1910.

2. The list consists of four big items viz Rs. 70/-,
30/14 and 16/- and odd and although the value be high, yet the
articles were sufficiently small as to admit of easily being pocket
-ed. The articles worth ^{at} Rs. 70-14-0 are made up of six pairs of
pebbles. Every effort was made to trace the articles mentioned in
the list annexed hereto but of no avail. The amount may be paid
from contingencies. It may, however, be noted that the number of
articles found missing this year is comparatively smaller than that
in last year and the value would have been less but for the small

SIR,

With reference to your letter No. R. 1649/Agri. 1-
19-37 dated 12th September 1911 enquiring as to the possibility of
enforcing the conditions of rule 17 in the Prospectus of 1910 with
respect to the articles mentioned in the Missing List under refer-
ence, I am directed to state that it would be legitimate to en-
force the rule in question, more so since we have been doing a lot
for exhibitors ~~with~~ ⁱⁿ the way of receiving, staging, guarding, sell-
ing and returning their exhibits which in other Exhibitions, have
to be done by the exhibitors themselves with very few exceptions.

It does not, however, appear to be a wise policy to
think of the enforcement of the rule in the present instance seeing
that the amount is so small. The only heavy item this year is the
one of Rs. 70/- for a portion of gold jewellery and it is very -
